Dear Parents/Carers,

We are delighted to send the club lists for the Spring Term in this document.

Some of the clubs are payable, this is to cover the cost of staff resources or external providers. We work to keep these costs to a minimum. These will be payable in advance via ParentPay. The final cost of these will depend on whether the club is full or not. Please note that if you commit to a payable club, you will be liable for payment unless you notify the school, immediately after the club texts are sent out, that your child no longer requires a place.

You will be notified by text message if your child is in a club - stating the start date and end date. Please make a note of the dates which the clubs run from/to, as we do not run clubs in the first or last weeks of each school term, on staff training days or parents' evenings. All clubs finish at 4:20pm unless otherwise stated. Due to the darker afternoons, we request that all children are picked up by an adult after a club and do not walk home alone.

Please complete your choices via the attached link by Wednesday 13th December at 8pm - the link will no longer be live after this time. You will need to complete this separately for each child.

Please take care to select the clubs which are available to your child's class only. You may select more than one, but please note if clubs are full, we will do our best to ensure children have at least one club choice. As you can imagine, organising the clubs takes considerable time and logistics and we will do our absolute best to accommodate choices but please bear with us if there are any glitches. We will work to remedy these as best as we can but please let us know as soon as possible if you have an issue.

Please use this link to sign your child up for clubs:

Thank you for your support with this. We can't wait to start our sparkling Spring Clubs.

Kind Regards,

Miss Perkins
