Autumn 2022

Swimming Offer 2022-2023

Children in Years 3 are being provided with swimming lessons at Tewkesbury School where they will be working on building confidence and stamina as well as developing stroke technique. Children will be monitored against their ability to swim 25m by the end of KS2 as a prerequisite of the National Curriculum.

The children will be grouped according to ability (within their class) and will be assessed by a qualified instructor within their group. There will be two qualified instructors for each group of 30 children. The swimming instructors will be working towards certain tasks with the children so that they can progress towards this essential life skill.

Children in Years 4, 5 and 6 who have not met the prerequisite of 25m will also be provided with sessions with two qualified instructors in groups of 30 in order to work towards this by the end of KS2.

We hope that this information has been useful and if there are any questions regarding the above then please don't hesitate to contact Mrs Thomas.

Mrs Thomas
